Hello!

Are you a member of a Neighborhood Council or a local community group who cares about keeping your streets clean but don't have the resources or information about how to make a difference? The Clean Streets LA Challenge is the ultimate civic experience for you, providing:

1. Information on how to maximize city resources in your community.
2. Networking opportunities with key Clean Streets LA stakeholders.
3. Training on how to host Clean Streets LA events in your neighborhood.
4. Assistance in developing a Clean Streets LA community plan.
5. Access to a Clean Streets LA cash prize to fund community clean-ups.

Interested Neighborhood Councils and other organizations that attend workshops will receive guidance on how to prepare and execute a Clean Street LA Community Partnership plan, and may be selected to receive Clean Streets LA financial awards to support your efforts.
